Chapter I

INTRODUCTION

A BRIEF BACKSTORY:

YounesPlayzz, also known as **Younes** who have 4.51k subscribers, a robloxian youtuber and commission artist of a 15 year old. He is also a game developer of a game he made called “**Bunny Town**” he also lives in Morocco and seemingly got out of retirement because of a video he made about exposing **Bumbleb** along with a fellow content creator named **Feared Pluto**. Also known as **Lumino**. He is very well known to jailbreak communities such as Jailbreak Official Discord Server and Jailbreak Values.

Feared Pluto, Originally named as “**Lumino**” a robloxian youtuber who have 18.3k subscribers and had only few videos but mostly he focuses on making youtube **shorts** that have reached millions of views, mostly popular roblox games. He also made 2 conversational videos that reached 20k views but the thumbnail both of them.. Are seemingly **questionable**. He is currently 17 years old and has a discord server. (His server happens to change a lot.)

DISCLAIMER: Please **DO NOT** harm and raid their perspective **servers** on [YounesPlayzz](#) or [Feared Pluto](#) in any way that will ruin them physically or mentally, we just want to address the **allegations** that were made in the expose video and false information that they have been spreading on people and other community servers. The things that they said are not entirely true and their information is purely based, causing them to ruin [BumbleB's](#) reputation.

CHAPTER II

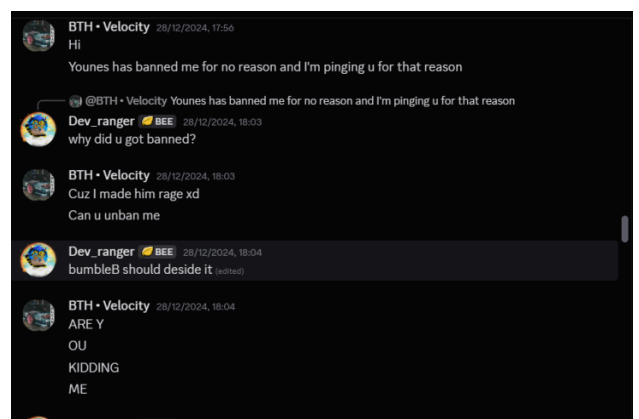

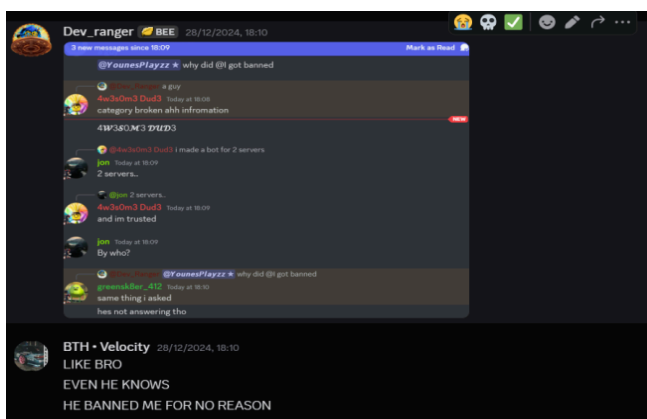

Where it all started

It all started when [Younes](#) was one of few moderators back then in Bumbleb's server. He claimed to be one of the best mods that bee ever had, including he did some implementations like stickers, moderation, permissions and ideas in order to make the server lively.

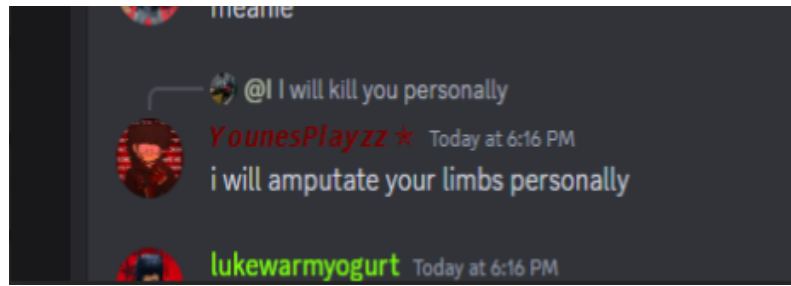

Source: [Bumbleb's](#) server

But while he was a moderator on [bumbleb's](#) server, he was arguing with someone named **Velocity** or previously known as [Tanjiro](#) (Could be referred to Demon slayer anime) that the argument was so intense that they started threatening each other. As for [Younes](#), he was a moderator but he got odd moderation when it comes to it.

Source: Bumbleb's server, Direct message between Dev_Ranger and Velocity
Date: December 28 2024

While you could arguably say that **Velocity** is the one who ragebaiting **Younes** or somehow started the argument, but Younes could have handled it better as a moderator or simply not making the argument worse. One of the best moderators in **bee's** server he claimed to be back then.

Fun fact: The profile picture **Younes** had is when he had depression about his family and life, we didn't judge his undoing and tried to support him in any way to make him feel better.

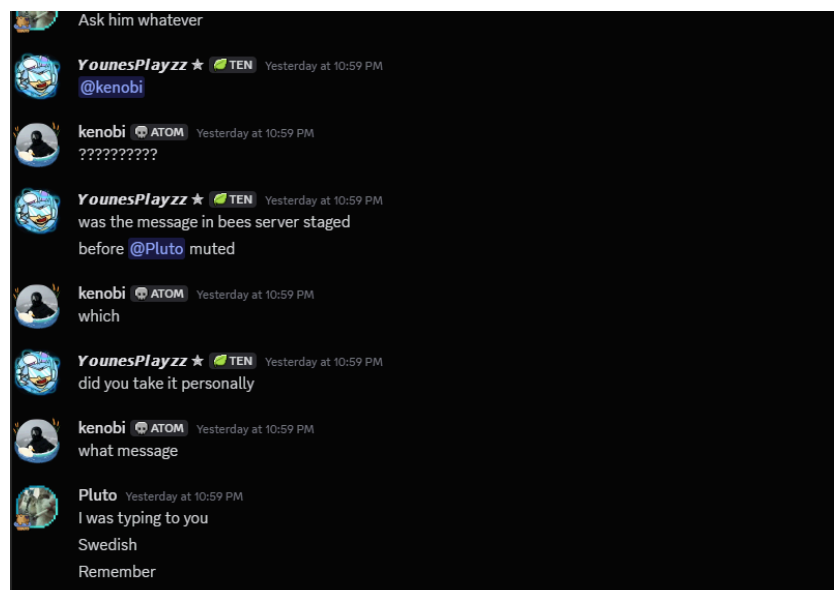

(Be sure to check **Younes'** **document** to fully know the story.)

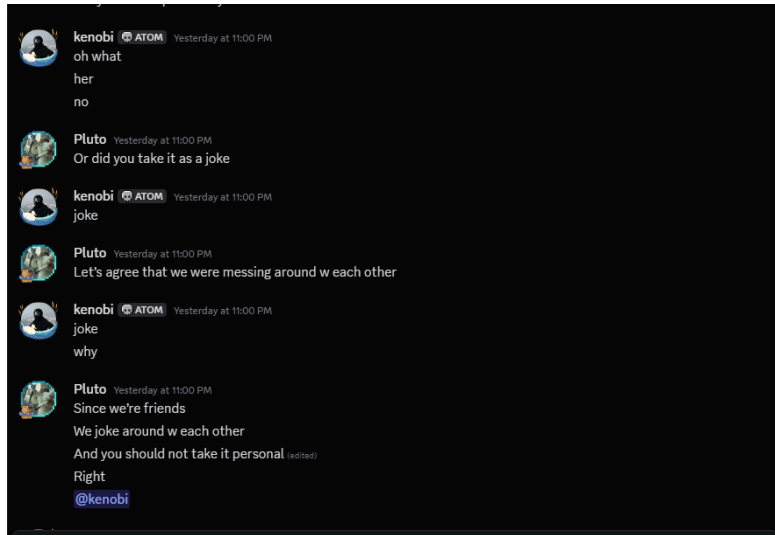

Document link:

[W Allegations towards YounesPlayzz](#)

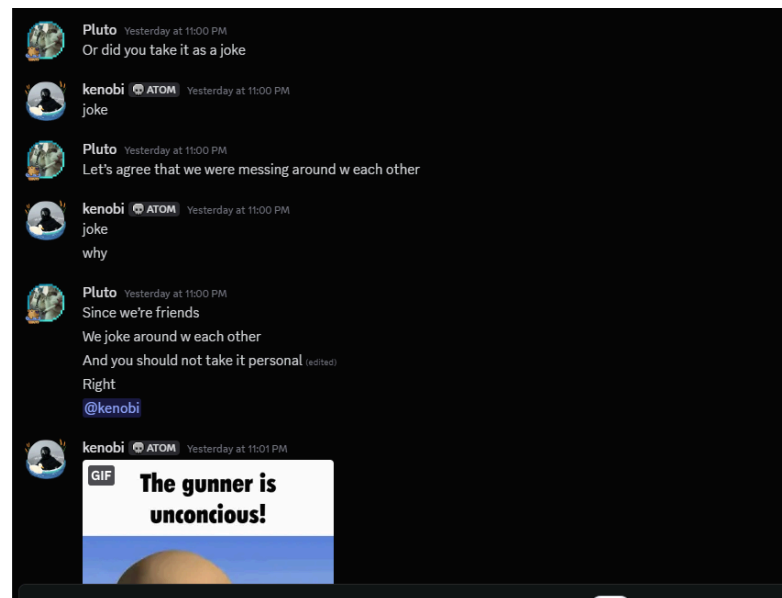

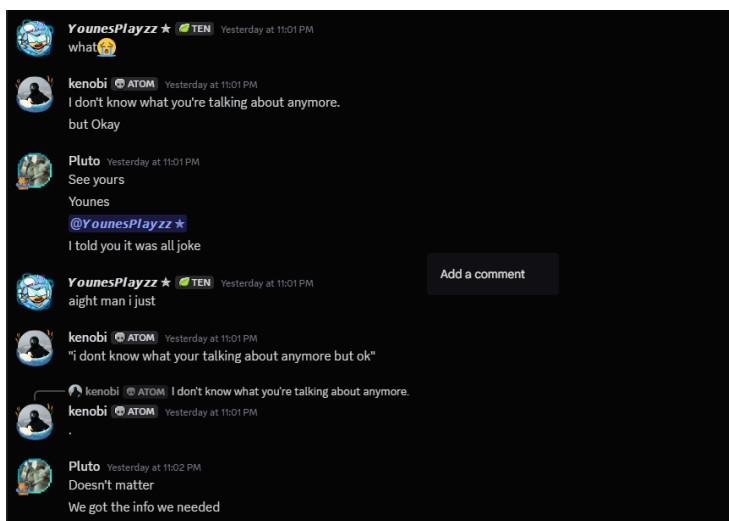

As for **Feared Pluto** case, he got muted for 24 hours reasonably by the Server manager of Bumbleb's server **Rabblox**. Then it got into a heated argument where **Lumino** messaged **Rabblox** about why he got muted directly instead of warning him. **Rabblox** explains that what he did was something far worse, that a normal warning wouldn't suffice. Unlike the previous **document** that had the evidence of doing so, there's more on behind the scenes that was pure **evil** doing...

Date: December 7 2025

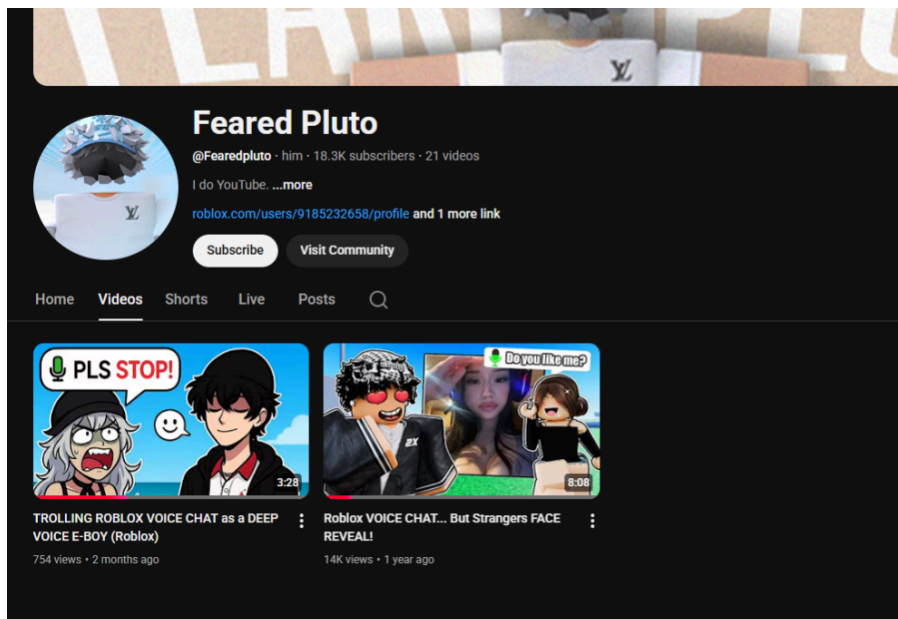

It turns out, this entire time **Pluto** and **Kenobi** have been long time friends and simply set up an argument just to test or make false evidence where they can use against **Bumbleb** and his staff team. It was all their plan on how they make dirt or simply doing everything to ensure **Bumbleb's** downfall.

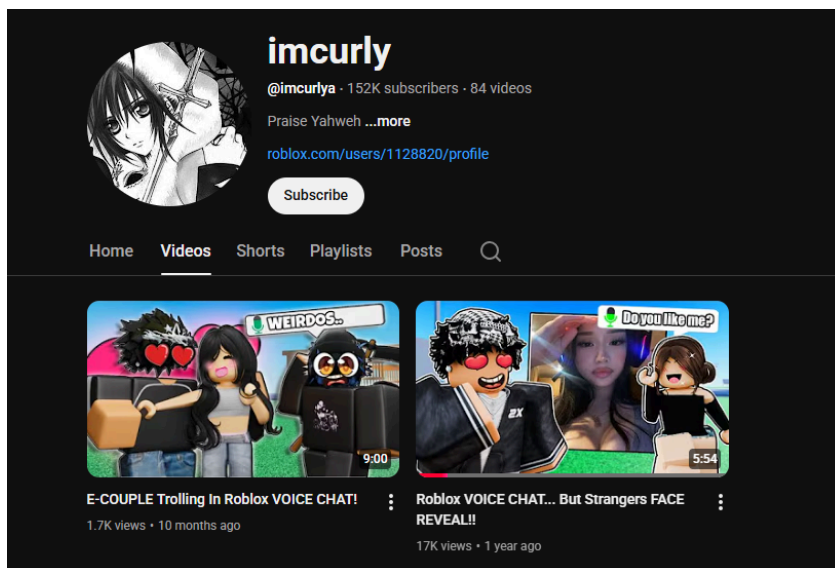

They made a group chat with **Younes** and **Pluto** to make sure that **Kenobi** isn't a traitor or against them, but in reality he was just a decoy or part of their plan to get "evidence" on **Bumbleb's** server that their moderation is corrupt and unfair.

Fun fact: **Lumino** Aka **Feared Pluto**, made a questionable video with a suspiciously thumbnail that is somehow not his own **thumbnail**. You may ask, it's not a big deal right? Wrong because it's directly stealing from someone's work while you gain a lot of views from that thumbnail. That is strictly against Youtube Terms of service **(TOS)**

Channel link: <https://www.youtube.com/@Fearedpluto>

While here is the original creator of the thumbnail, The youtuber is “**Imcurly**” who had 152k subscribers, a roblox creator also, seemingly making similar content to **Pluto**

Channel Link: <https://www.youtube.com/@imcurly/videos>

Is it illegal to steal someone's thumbnail on youtube?

Here's the worst part: **Feared Pluto / Lumino** didn't even give credit to the creator of the thumbnail on his description nor the comment section, which is really crazy and against Youtube **terms of service and Youtube Community Guidelines**

CHAPTER III

The Present

In the previous document, we know that **Younes** had a severe **depression**, but he claimed to be that he changed, and is no longer depressed. Which is good because depression can really ruin people's lives. While he did change and seemed to be in a better shape, what about his personality? Did it change as well?

Date: December 13 2025

Source: <https://discord.gg/EwJcDJqy> - **Younes** Discord server

On the expose video, **Younes** said that he is sorry for his actions before he sent some gore on **Jailbreak Official discord server** on [server boosters](#) channel. While it is confirmed that he is truly changed and depressing “attention seeking” in the past. But what about other things that he did? Did he truly change or gotten worse?

Also **depression** is not a joke everyone, whatever **younes** did claim in the past that nobody helped him or simply he is ignoring everyone’s help. We are glad that he is over with his depression now. There are people who have had enough of **younes** talking about how he is depressed 24/7 on multiple discord servers and others that helped him the entire time.

What is depression?

Depression is a [mood disorder](#) that causes a persistent feeling of sadness and loss of interest in things and activities you once enjoyed. It can also cause difficulty with thinking, memory, eating and [sleeping](#).

It’s normal to feel sad about or grieve over difficult life situations, such as losing your job or a divorce. But depression is different in that it persists practically every day for at least two weeks and involves other symptoms than sadness alone.

There are several types of depressive disorders. Clinical depression, or major depressive disorder, is often just called “depression.” It’s the most severe type of depression.

Without treatment, depression can get worse and last longer. In severe cases, it can lead to [self-harm](#) or death by [suicide](#). The good news is that treatments can be very effective in improving symptoms.

Depression symptoms in children and teens

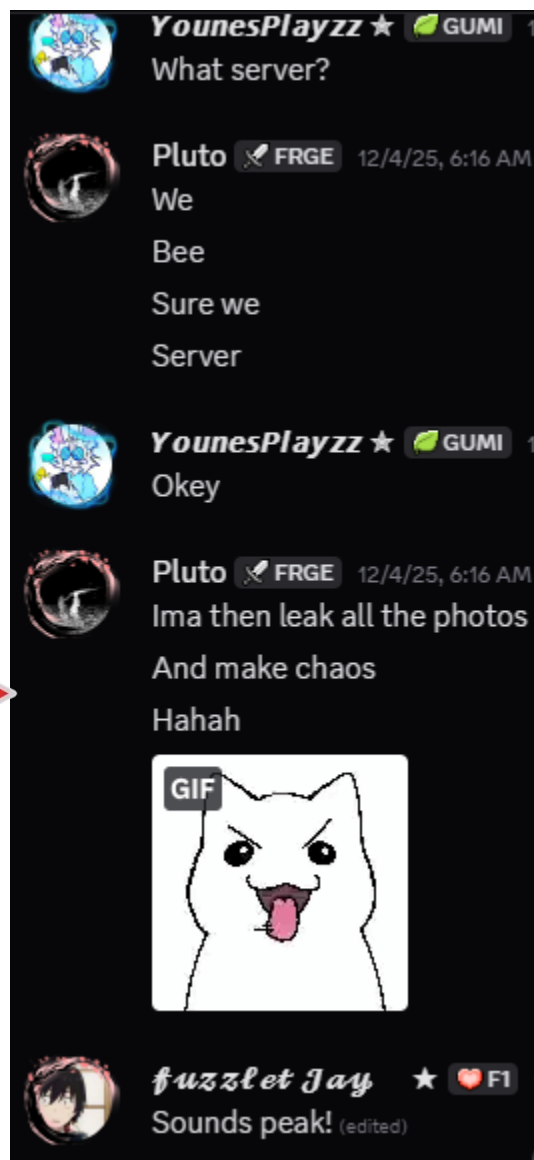

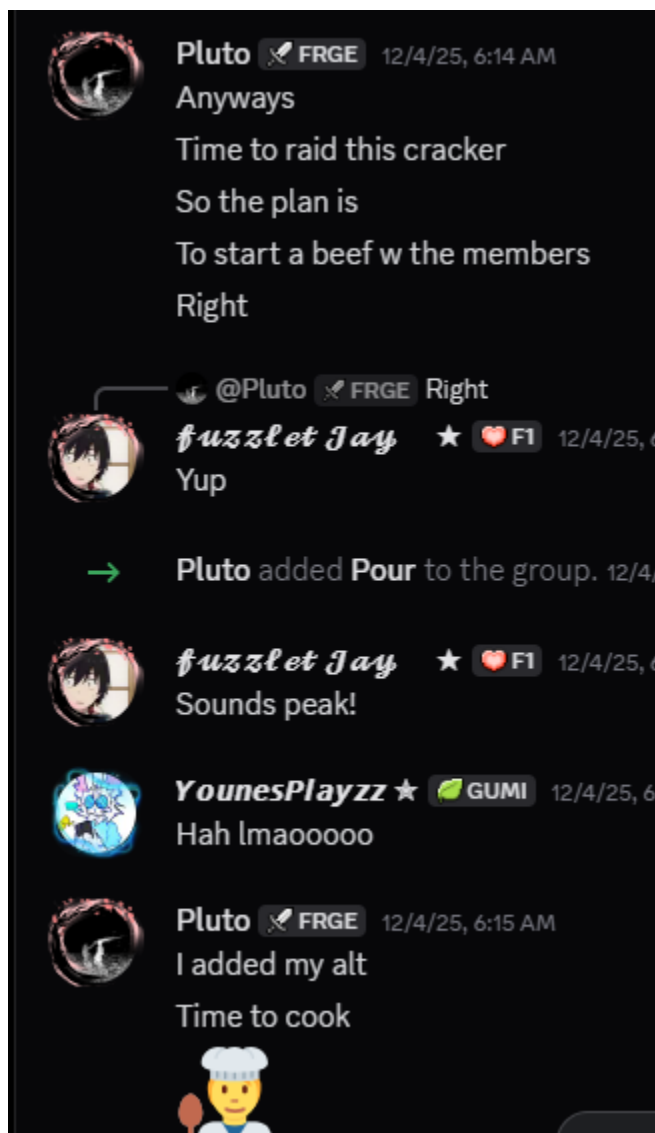

Common signs and symptoms of depression in **children** and **teenagers** are similar to those of adults, but there can be some differences.

In younger **children**, symptoms of depression may include sadness, irritability, clinginess, worry, aches and pains, refusing to go to school, or being underweight.

In **teens**, symptoms may include sadness, irritability, feeling negative and worthless, anger, poor performance or poor attendance at school, feeling misunderstood and extremely sensitive, using recreational drugs or alcohol, eating or sleeping too much, self-harm, loss of interest in normal activities, and avoidance of social interaction.

Continuing on **Feared Pluto**’s part, about him and **Kenobi** it turns out **Pluto** was originally gonna have an alternative account to create pointless arguments towards other members for seemingly getting information to benefit them. It was all **Younes**, **Pluto**, **Fuzzlet_Jay** plan to unite together and make progress on their expose video against **bumbleb**.

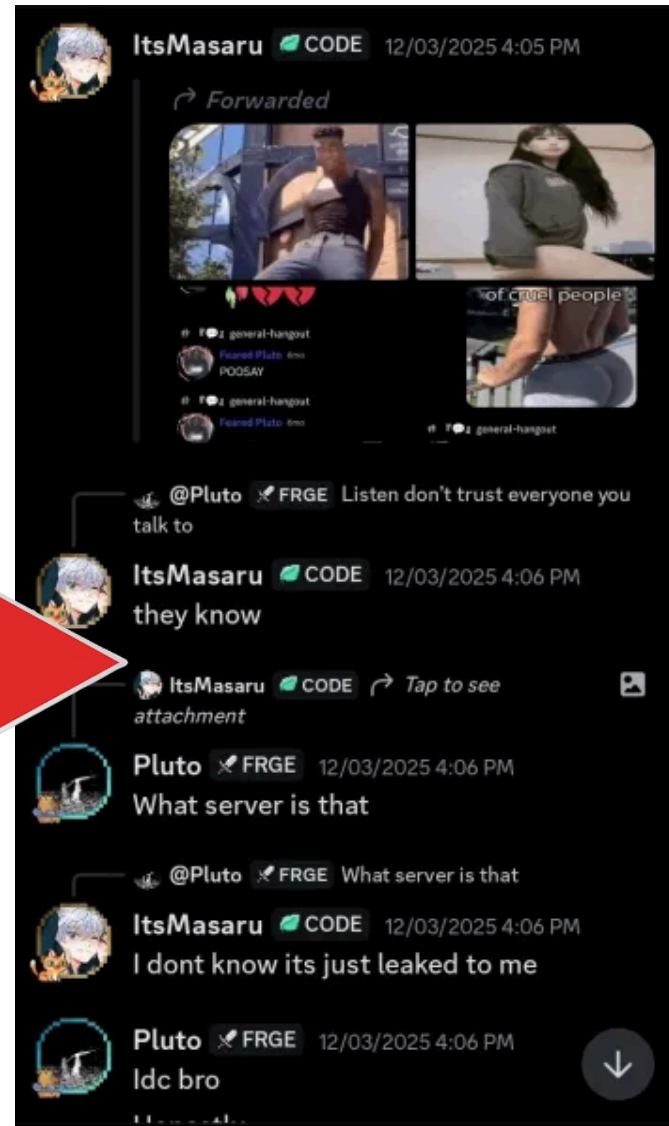

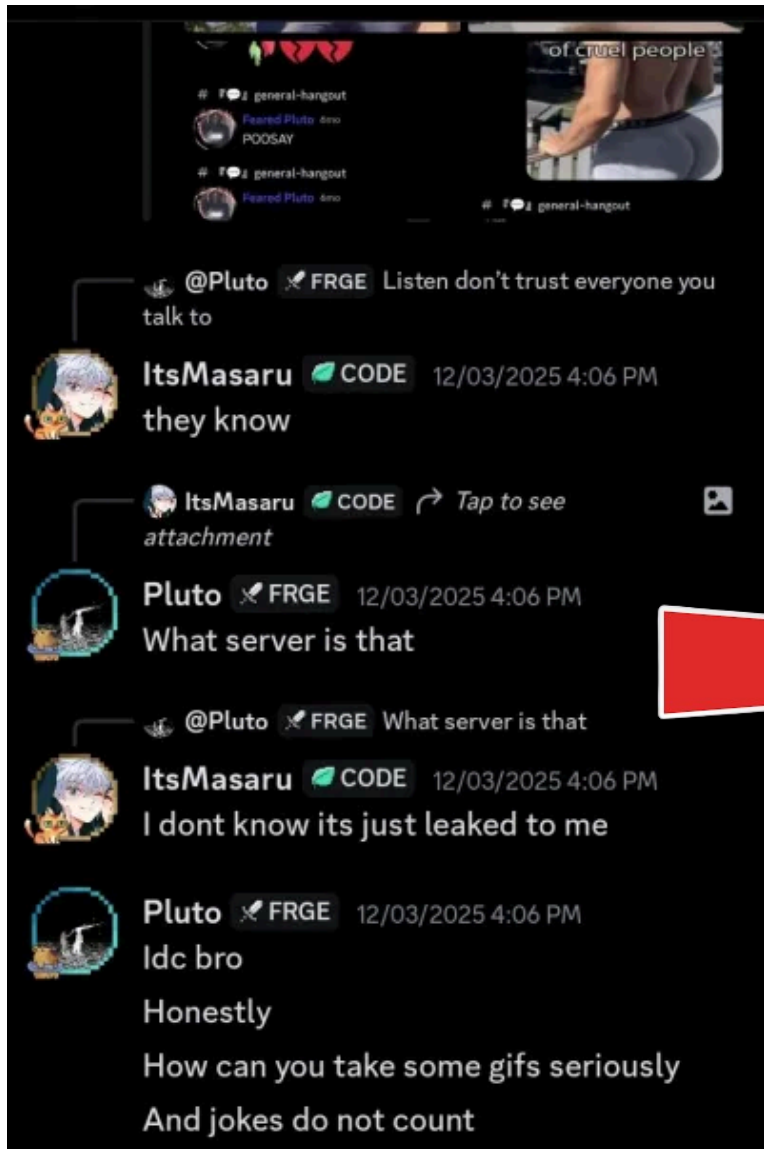

Date: December 4 2025

Source: Group chat along with **Pluto**, **Younes**, **Jay**

Thankfully, **Bumbleb's** server didn't get raided or being spied on because they realized that they were raided by alternative accounts and took action by simply shutting down the server. Along with expired invite links and no one can give invite links to everyone.

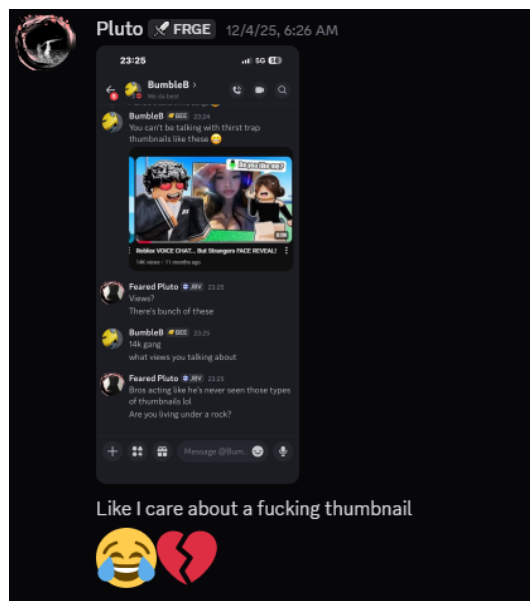

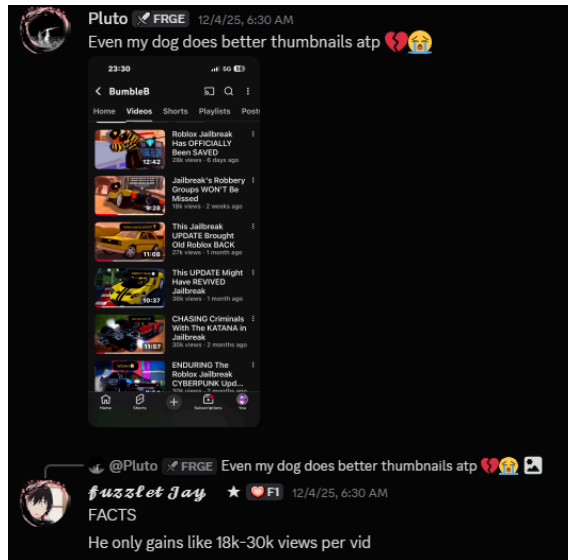

Fun fact: **Pluto** did respond to the evidence against him and he doesn't care, because it's just a "joke" even though the evidence is all **NSFW (Not Safe work)** and **N** word on different community servers that he committed on.

Source: Direct message between Masaru and Pluto

Date: December 3 2025

In their group chat, they were making fun of Bumbleb and describing how bad of a youtuber he is, telling that his thumbnails are bad. Got into an even heated argument with Pluto on their DMS (Direct message) it seems like Lumino was the one who started it all by simply leaking their expose video working on progress. Just to see bumbleb's attention and other members on the server.

Source: Group chat along with **Pluto**, **Younes**, **Jay**
Date: December 4 2025

While we entirely know that **Pluto** got muted reasonably by **rabblox**, but we didn't knew that it would go this far as for partnering with **Younes** just to take down **bumbleb** down. Yes it was **bumbleb's** fault back then but he apologized to **younes** in **DMS**. **Younes** think that as a half-apology. And for **Lumino**, he was the one who made wrong decisions but wanted to take down **bumbleb** for seemingly no reason. **Bumbleb** didn't even do anything to **Pluto** but yet wants to take him down just because his server had slut command enabled back then.

CHAPTER IV

Slut Command Incident

Back then when Bumbleb's server was brand new back in late December 2024, there was a bot named Unbelievableboat bot that lets you gamble virtual money, not **real money**. It has a variety of commands that give you virtual money such as..

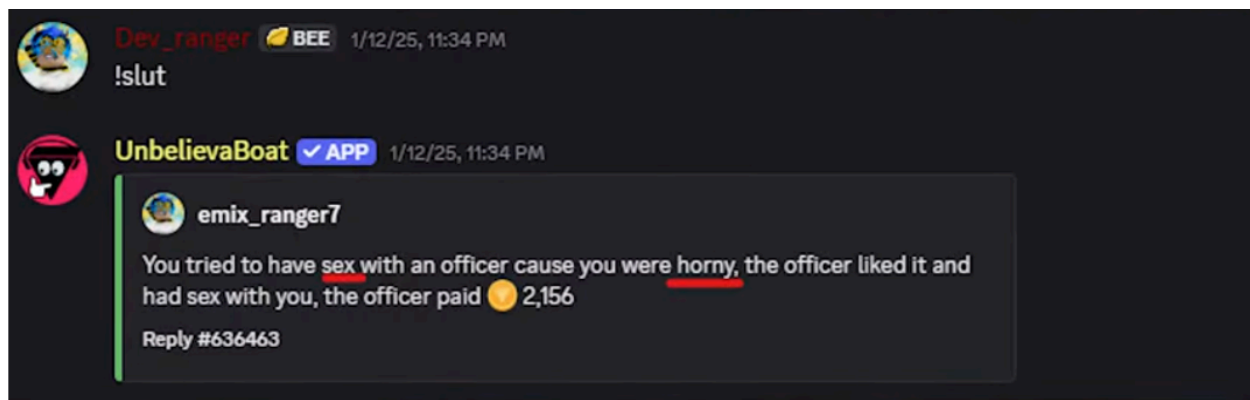

“!work” - Normal Income

“!Slut” - Higher income but risk of losing more virtual money (Had **NSFW** replies)

“!crime” - Higher income but risk of losing more money

“!rob” - Rob people's other money (Had 50/50 chance of getting it or not.)

In their expose video, In **Feared_Pluto's** part, He mentions that “Exposing minors to sexual exposure.” The thing is that “!Slut” command is an in-built command to the unbelievableboat bot. As soon **Bumbleb** and his fellow moderators find out about it. They simply censored it by using **Discord Automod** to disable the command.

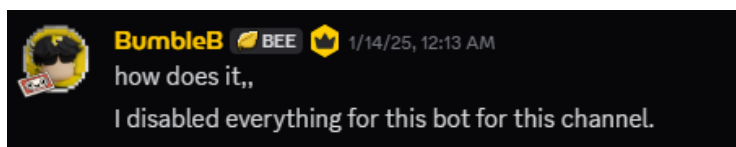

Video Link: <https://www.youtube.com/watch?v=1Jm6gQO-tT4> - Expose Video

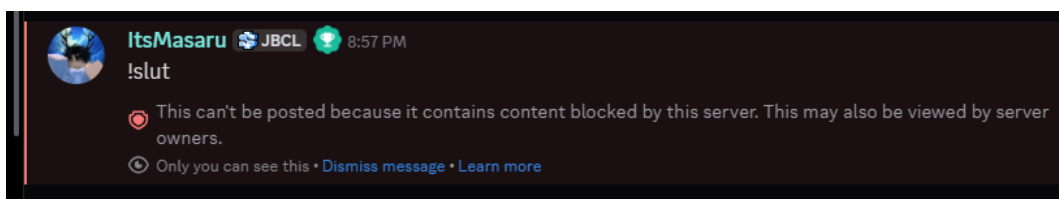

Time stamp: (0:44 - 0:47)

Date: January 12 2025

But it's disabled shortly after and you no longer can do the command again on Economy channel in **Bumbleb's** server **Source: Bumbleb's** server

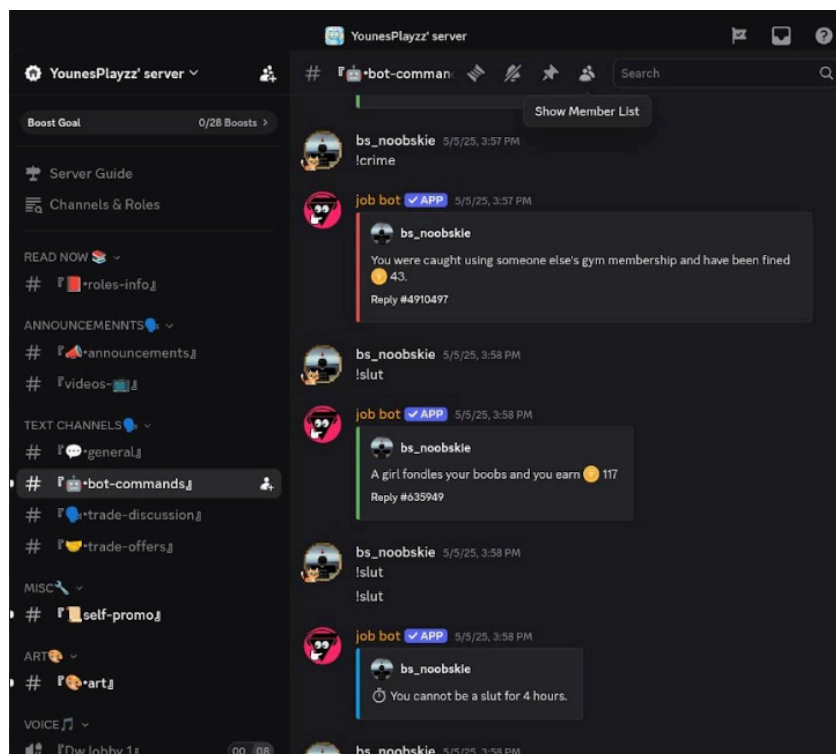

Date: January 14 2025

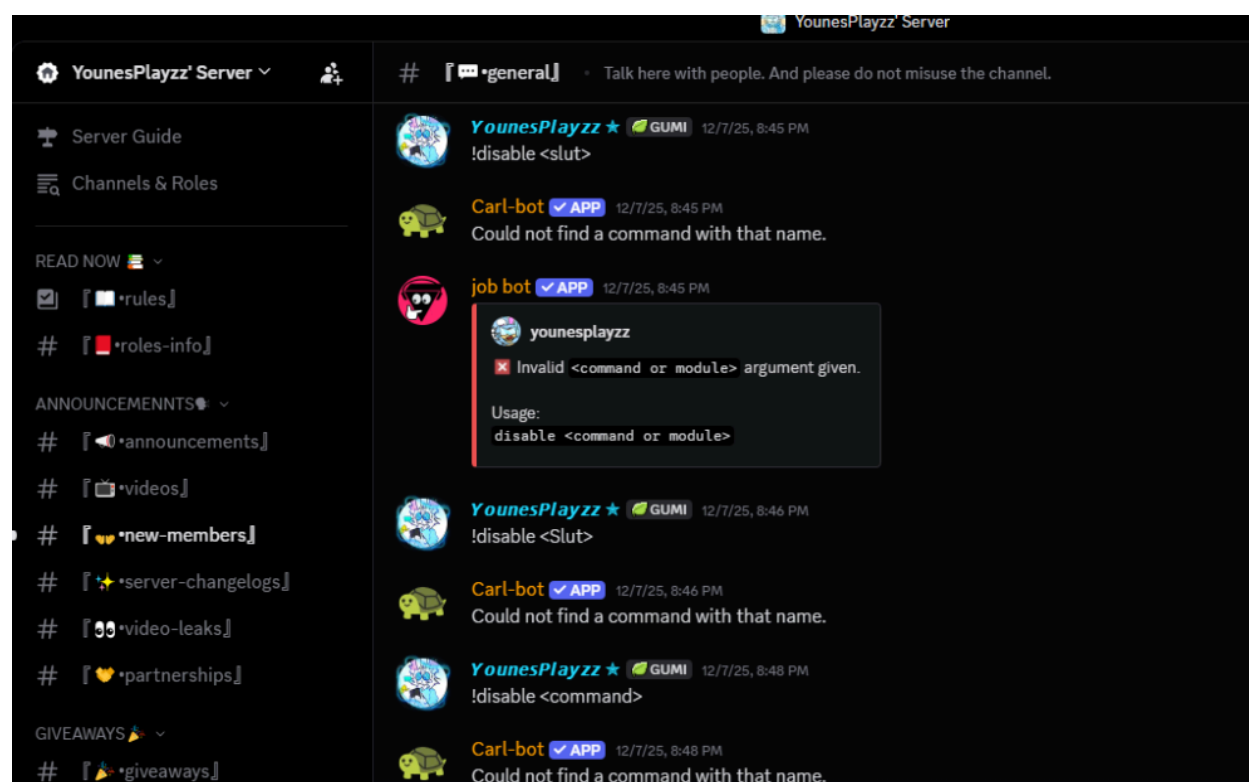

But for **Younes**' case, he literally has the same bot in his server and allows members to do the **"!Slut"** command without consequences. Feels unfair, no? And the shocking thing is.. He doesn't know until **December 7 2025** when someone uses the command in a general chat of **Younes** discord server.

Date: May 5 2025

Source: <https://discord.gg/EwJcDJqy> - **Younes** discord server.

Whoever **Younes** realized the problem and quickly disabled it shortly after. The question is, is it fair? They get to accuse **Bumbleb** for exposing a built in **18+** bot command, while **Younes** is allowing it as well or simply don't know it til **december 7 2025**. When **Bumbleb** knew the mistake, he simply fixed it and used **discord automod** to disable it. Same as for **Younes** as well by just disabling it through commands. Both of them have the same route. **Didn't know, fixed it once they found the problem**. But **Younes** and **Pluto** get to expose him right away for a seemingly built in command through a bot.

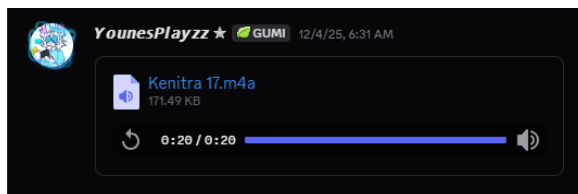

Date: **December 7 2025**

Source: <https://discord.gg/EwJcDJqy> - Younes discord server.

CHAPTER V

The continuation between **Bumbleb** and **Pluto** & **Younes**

While **Bumbleb** and his staff team are doing damage control, on the other hand **Pluto** and **Younes** decide to go way too far by mocking him and saying weird things to their prospective group chat.

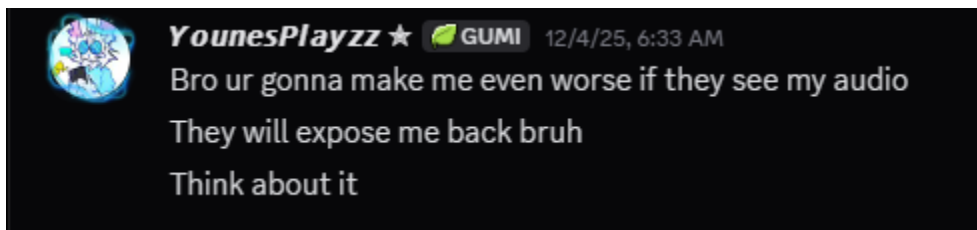

Source: Group chat along with **Younes**, **Jay**, **Pluto**

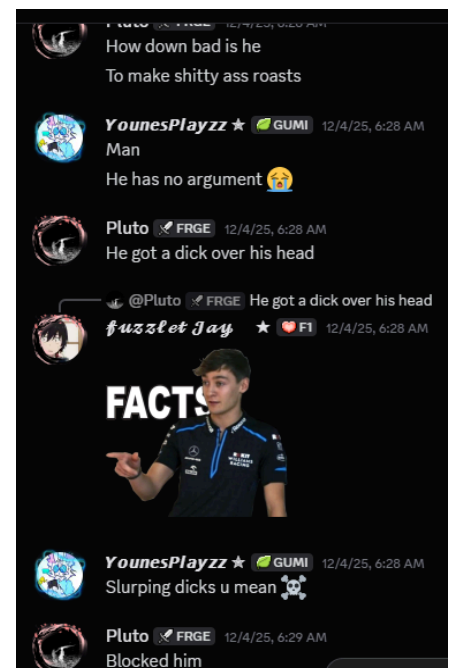

VoiceLink:  Voice Recording on Lumino and Younes

Date: **December 4 2025**

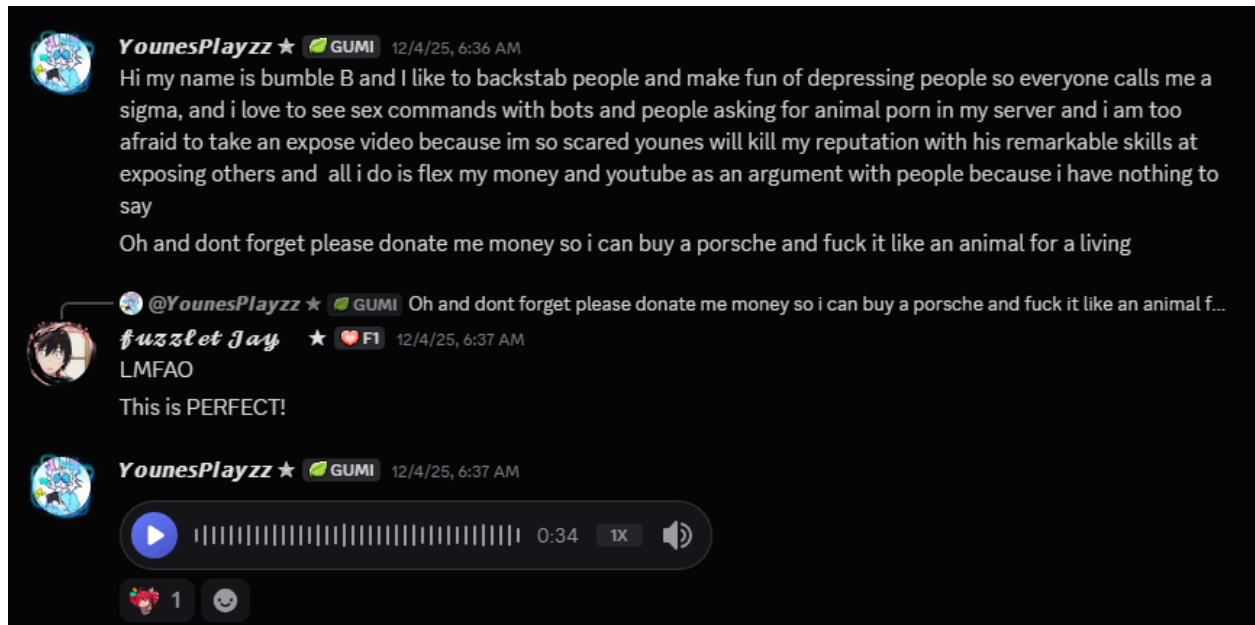

Fun fact: There's a moment where their gc won't be spotted nor think that they are truly safe. But sadly it didn't turn out very well.

Lumino and **Bumbleb** got into an argument on **DMS** (Direct message) about **Pluto's** questionable thumbnail and views. In their perspective group chat, **Pluto** and **Younes** are just talking bad about **Bee** on how he had a bad argument, even though he got banned reasonably while making a big deal out of it. As for **younes** he makes a quite interesting comment about **bumbleb**.

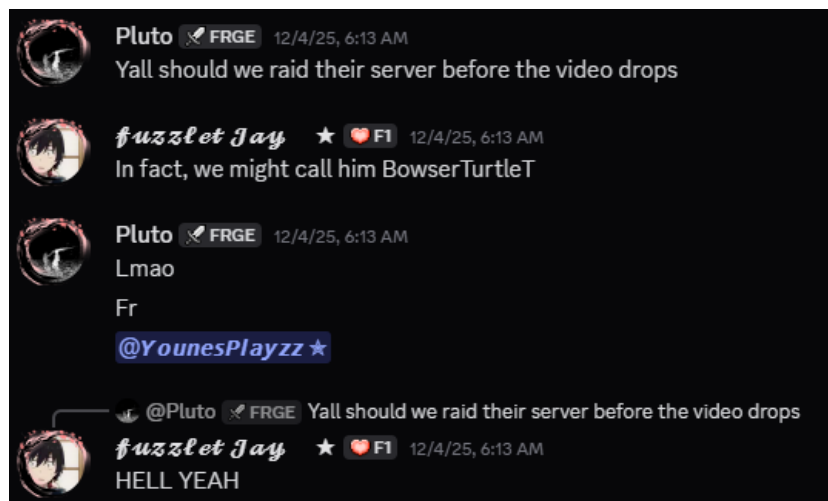

There is just so much going on in the group chat that you will be very shocked to see what your beloved content creators have been doing behind your backs this entire time. And this is just the surface of their process to expose video group chat.

Source: Group chat along with Younes, Jay, Pluto

Date: December 4 2025

They even had their plans to raid Bumbleb's server with alternative accounts but failed due to Bee and his staff team having already set up security measures to his server.

CHAPTER VI

Racism and beyond disturbing things

Younes claimed that his depression is gone now, but what about his personality? Did it change too or gotten worse? Either way being racist to other races isn't something that can just be fixed easily, It's a serious case especially if you're a **youtuber**. **Racism** is a big deal to society. It is **NOT** okay to make fun of other people's race, that is a straight up bad thing to do. You only need common sense that disrespecting someone's race is a serious cause.

Race/Color Discrimination & Harassment

It is unlawful to harass a person because of that person's race or color.

Harassment can include, for example, racial slurs, offensive or derogatory remarks about a person's race or color, or the display of racially-offensive symbols. Although the law doesn't prohibit simple teasing, offhand comments, or isolated incidents that are not very serious, harassment is illegal when it is so frequent or severe that it creates a hostile or offensive work environment or when it results in an adverse employment decision (such as the victim being fired or demoted).

The harasser can be the victim's supervisor, a supervisor in another area, a co-worker, or someone who is not an employee of the employer, such as a client or customer.

Source:<https://www.eeoc.gov/racecolor-discrimination> - Official website of United states of america government (**Generally**)

Direct race discrimination

It is direct race discrimination to treat someone less favourably than someone else would be treated in the same circumstances, because of race. To prove direct race discrimination, it will help if you can give an example of someone from a different racial group who, in similar circumstances, has been, or would have been, treated more favourably than you. Racist abuse and harassment are forms of direct discrimination.

One example of direct race discrimination is where you are from a particular racial group and an employer refuses to appoint you because, the employer says, you 'wouldn't fit in' or 'the customers would object'.

It's also direct discrimination if an employer turns you down for a job because of your connection with someone else of a particular racial group. For example, an employer might turn you down for a job because your partner is Afro-Caribbean.

Indirect race discrimination

It is indirect race discrimination to have a rule, policy or practice which people of a particular racial, ethnic or national group are less likely to be able to meet than other people, and this places them at a disadvantage.

Examples of indirect discrimination might include:

- an employer insisting that candidates for a job should have UK qualifications
- the banning of wearing headscarves, or insisting on the wearing of skirts, at work or at school
- an employer insisting that someone has English as a first language.

If you think that indirect race discrimination might have occurred, you may be able to make a complaint about it. However, if the person or organisation you are complaining about can show that there are genuine reasons for the rule, policy or practice and that it has nothing to do with race, this won't count as discrimination.

Source:

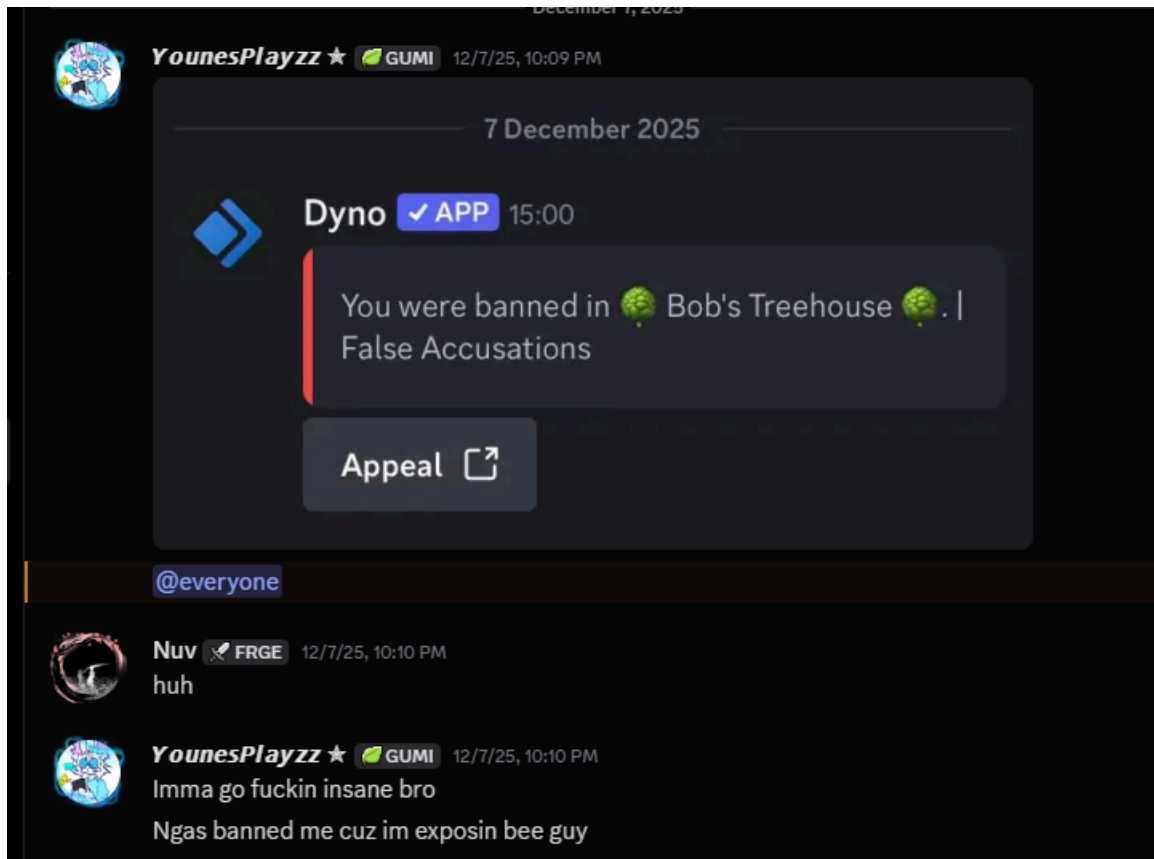

<https://www.citizensadvice.org.uk/law-and-courts/discrimination/discrimination-because-of-race-religion-or-belief/discrimination-because-of-race/> **(Generally)**

If we are not biased, **Bumbleb** fan or **Younes** & **Pluto** fan. Is this okay? Or just being racist to other races and they can get away with it? Seems unfair doesn't it. Calling Indians as online scammers. Not every Indian is a scammer, that's just **racism**.

Source: Group chat along with **Pluto**, **Jay**, **Younes**. **Date:** **December 11 2025**

He even said the **N** word multiple times recently and safe to say, that's just purely disrespectful. Even though he is from Morocco in the [Maghreb](#) region of [North Africa](#) (Arab and African) that doesn't mean he can just say the **N** word freely to other people like it's nothing. Especially on [discord](#).

Source: Group chat along with [Pluto](#), [Younes](#), [Jay](#)

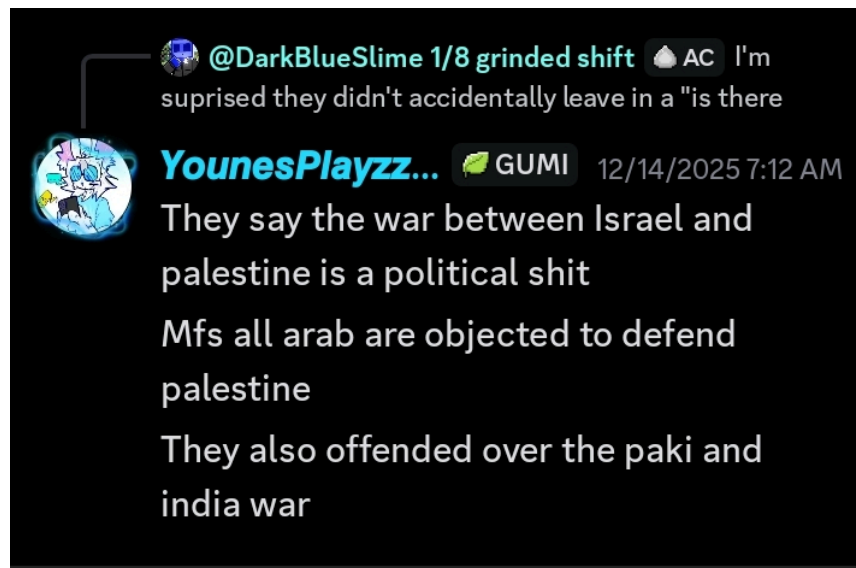

Date: December 7 2025

Fun fact: On this image, [Bobthelog](#), another roblox jailbreak youtuber, [Younes](#) tried to explain that he's gonna expose [bumbleb](#) even though the drama was explained thoroughly on their **DMS**. (Direct message)

If you wanna read their conversation I suggest clicking this [google drive link](#) to see all the evidence against [YounesPlayzz](#) and [Feared Pluto](#) Aka [Lumino](#).

Google drive Link: [📁 Evidences towards Younesplayzz and Lumino](#)

What's worse is that in the previous document, [Younes](#) tried to defend himself that the political things he did in the past are somewhat not political and got offended by the Pakistan and India war that they were talking about on their discord server. Maybe it was [Younes](#)' partial view of perspective on where his people objected to defending Palestine like he said in the image below. But think about the other side or the whole perspective of how people die in that war. Even so, talking about politics in Discord is highly forbidden in discord terms of service. [\(TOS\)](#)

Source: [Younes](#) Discord server

Date: December 14 2025

Yes, these are all politics and not something that should have been carefree talking about it on his discord server. Even his rules are stated to be that his server is a muslim server. He is bending the rules of [Terms of Service](#) on discord.

Beyond **disrespectful** like way too low, might be worse than other roblox youtubers that got exposed over the years. I mean sure **Younes** changed but not everything it seems

Source: **Younes** discord server

Date: December 16 2025

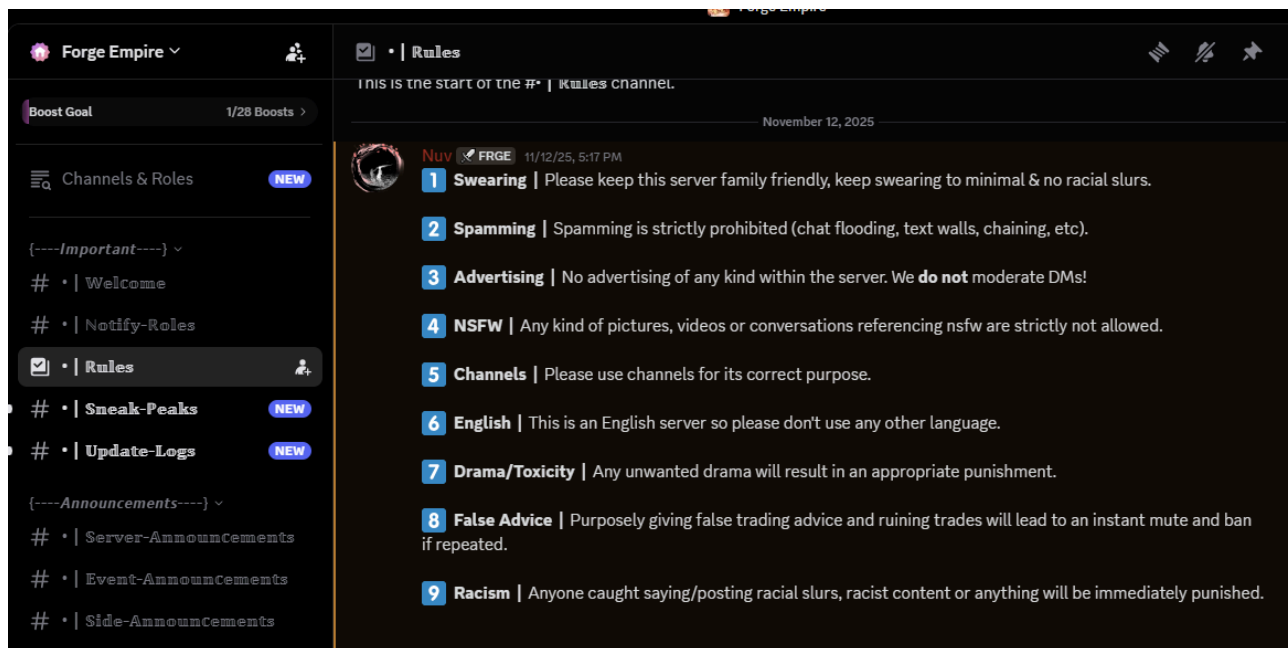

As for **Lumino** or **Feared Pluto**, he changed his jailbreak discord server into community server and now its Forge community server. As he and his team went drastically changing the server. One of his old friends named **Rintaro** (**From fragrant flowers of bloom dignity anime**) being disrespectful to other members and saying the **N** word, but got admin instead by just being his old pal. Seems unfair doesn't it?

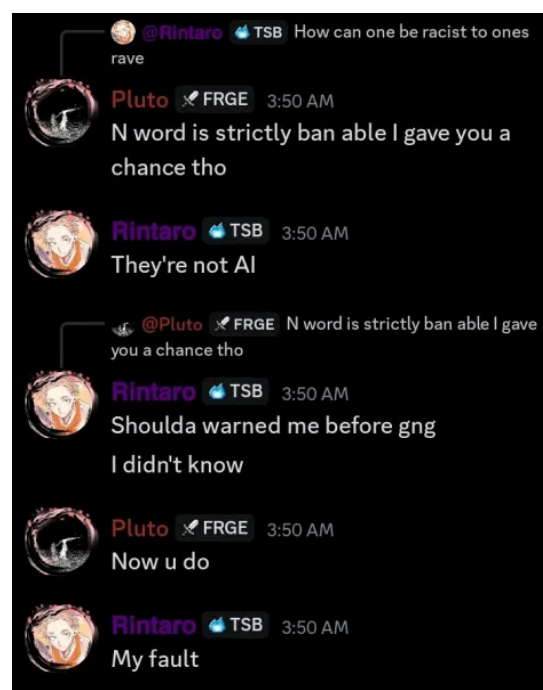

Source: <https://discord.gg/nfuph4TN> - Pluto's discord server

Date: December 18 2025

Even though he is black, based on the image above. Calling someone **N** word is purely disrespectful and should be banned from **Pluto's** server, since it's stated to his own rules, that is not allowed and shall be immediately **punished**..

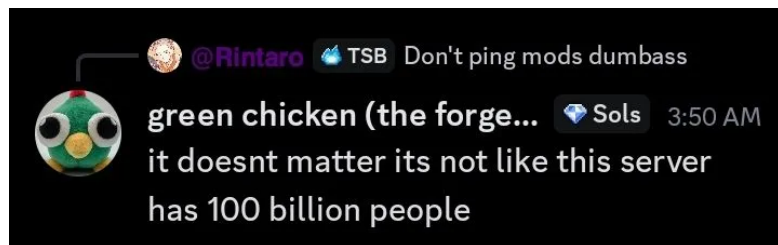

But what did **Feared Pluto** do? He gave him an administrator instead and a verbal warning. How is that fair? Just because he's an old friend he can bypass it? That's not how it works, what's the point of the rules if you won't implement it just like you said on the rules channel.

Source: **Pluto's** discord server

Date: December 18 2025

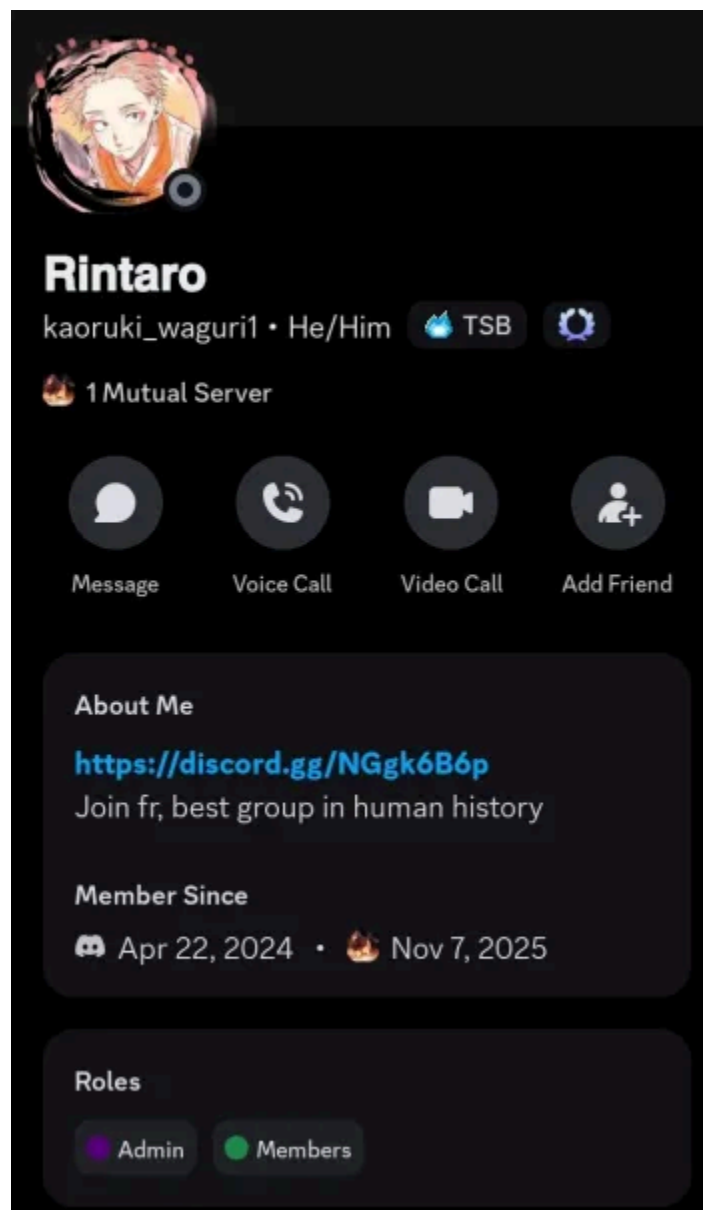

Calling someone dumbass and given a role of administrator is just outrageous. Sure he may be old friend of Pluto but that doesn't mean he can just bend the rules and get away with it easily.

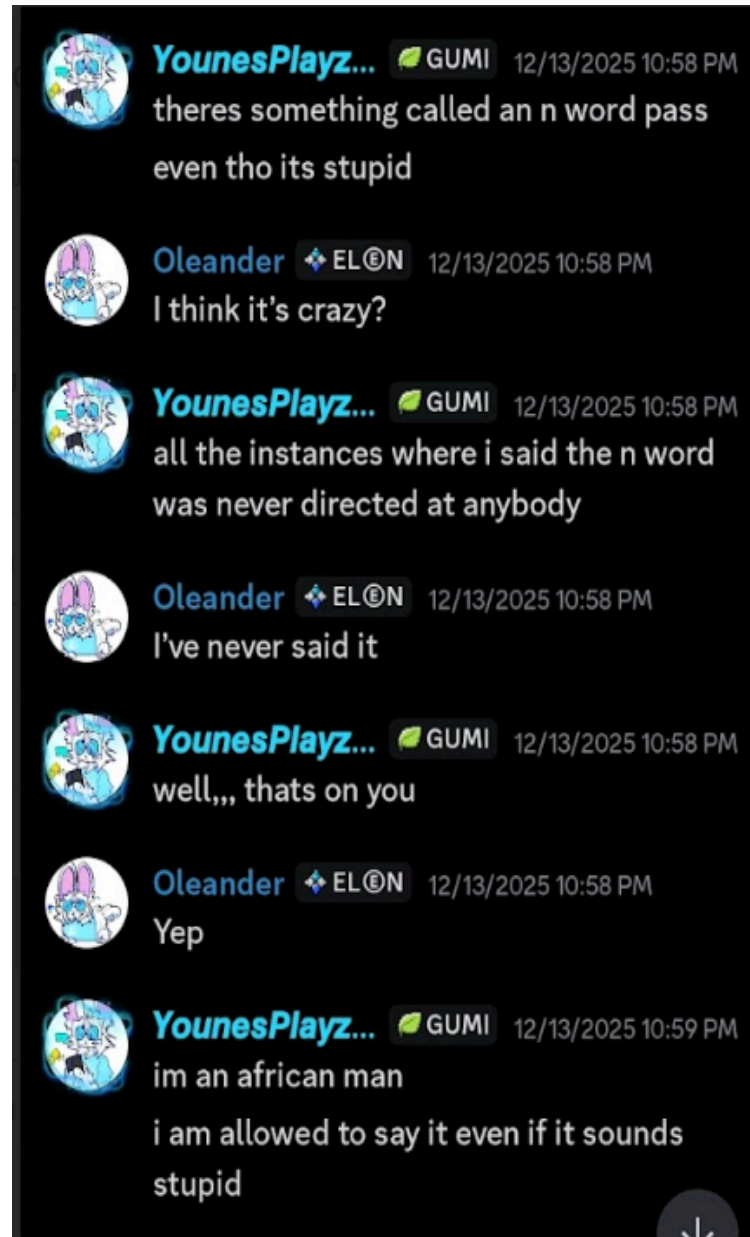

Source: **Pluto's** discord server

Date: December 18 2025

Fun fact: **Feared Pluto** changed his username again into **Nuv**. (Full name: **Nuvvfrr**)

For [Younes](#) case, even though he is african and somewhat has the **N word pass**, that doesn't mean he can just freely say it. That's still disrespectful towards other people in discord. Even so **N word pass** is just a social media thing and never was a real thing to the real world.

Source: [Younes](#) discord server

Date: December 13 2025

Is using the N word pass allowed or not?

This study examined factors that impact Black middle and high school students' academic and psychosocial well-being. Qualitative analysis of focus group data using a grounded methodological approach on 51 middle and high school students in a predominantly White urban school district. Findings show Black students are constantly exposed to racial microaggressions (i.e. microinvalidation, microinsult, microassault) which impact their overall academic performance and psychosocial well-being. Use of request to use the N-word was a common and stressful form of microaggression encountered by Black students. Overall, racial microaggressions (e.g. use/request to use the "N" word) are common, stressful and begin early among Black students attending predominantly White schools. Black students recognize the commonplace nature of racial microaggressions and actively identify coping mechanisms (e.g. safe shared on-campus spaces, identifying concrete steps schools can take to create a safe environment). Concerted efforts by schools are needed to prevent/mitigate the harmful effects of microaggression exposure to students.

<https://experts.umn.edu/en/publications/can-i-get-a-pass-the-use-of-the-n-word-and-other-forms-of-microagg/> - **(Generally)**

We of Generation Z have made up the "**N-word pass**." A tangible object that states that you can say the N-word for a period of time. Which makes no sense - no one should be using the N-word because the more we use it the more popular it becomes. When I hear someone use the excuse that they are 1% African American it makes me a little mad. It makes me mad because if you're 1% African American it doesn't mean you have the skin color of an African American. Which means that you are not treated like every other African American.

Source: <https://www.spokesman.com/stories/2019/may/26/end-n-word-pass/>

The N-word is too often freely and casually used by some individuals in popular media, literature, and general society with usage broadened across racial and generational backgrounds.

Source: <https://naacp.org/resources/naacp-official-position-use-N-word> - **(Generally)**

The same goes for **Pluto**, apparently he's in Sweden, according to **Younes**. Pluto has a **N** word pass as well. It is unknown where he got it or used it. But he was planning to use it on **Bumbleb**, but that never happened thankfully. In their group chat they were having a conversation where even **Younes** had to warn him about the **N** word pass.

Source: Group chat along with **younes**, **jay**, **pluto**

Date: December 12 2025

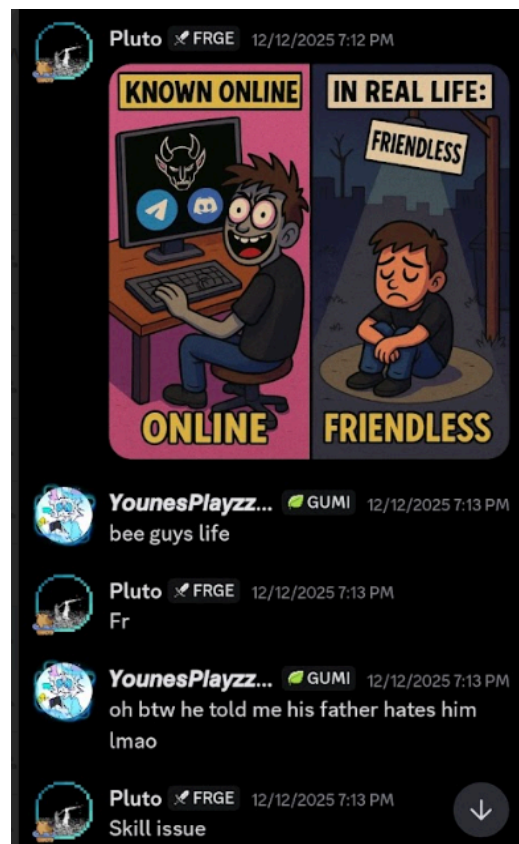

Fun fact: Even **Younes** knew about the n word pass but he said the **N** word like it's nothing. Oh the irony really, i personally don't understand it but it's better safe to say that, don't say the **N** world. It only makes things worse for you, even if you had the **N** pass or not.

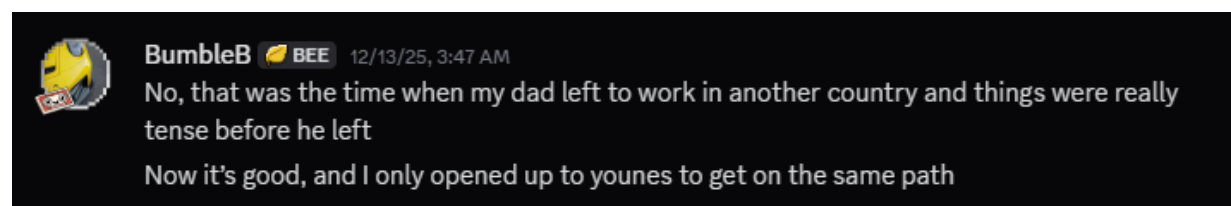

CHAPTER VII

Beyond Unimaginable

If we didn't see this part, it would have been shocking to see that. Even us didn't expect **Younes** would go down this far by mocking **Bumbleb's** father. Along with **Pluto**, that's insanity level right there. Even having proper **DMS** conversation on Younes and **Bumbleb**. Younes had the audacity to make fun of **Bee's** father that his own father hates him.

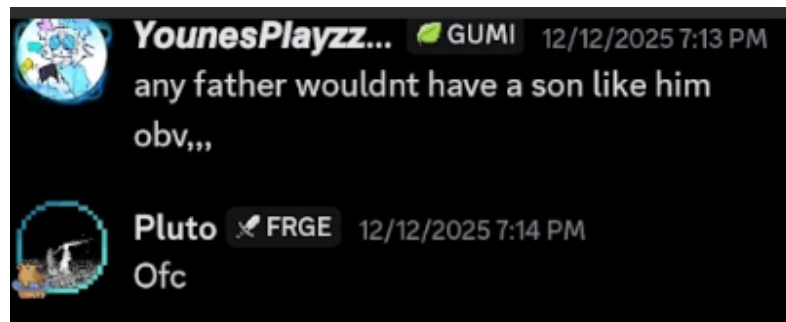

Source: Group chat along with **Younes**, **Jay**, **Pluto** **Date:** December 12 2025

This is **Bumbleb's** response after reading the image above. Good thing it wasn't major and he did that only to get the same path as **Younes**.

Date: December 12 2025

In this image, **Younes** and **Pluto** are downfully bad. Saying that any father wouldn't have a son like him is beyond diabolical, I guess people changed into something far worse.

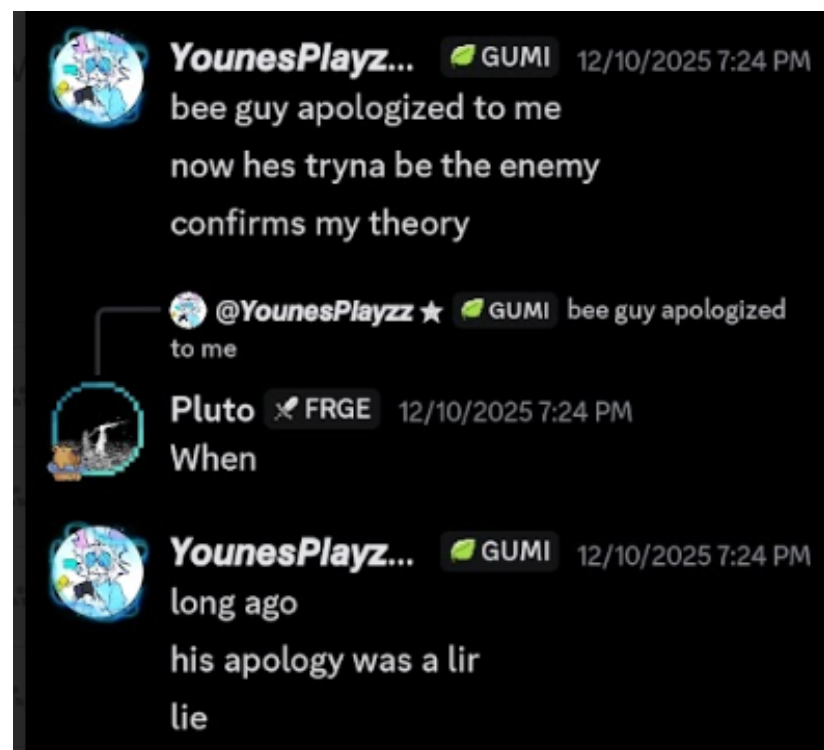

Source: Group Chat along with **Jay**, **Pluto**, **Younes**

Date: December 12 2025

Even **Younes** confirmed that **Bumbleb** apologized to him, but now he's making false accusations that we are enemies now. Like what? They were the ones who started this drama again after it went down, because **Bumleb** admitted his mistakes and said sorry to **Younes** in **DMS**. (Direct message)

Source: Groupchat along with **Jay**, **Pluto**, **Younes**

Chapter VIII

Epilogue

After the turn of events when **Younes** read the document, he could have said sorry or talked peacefully to **Bumbleb** to fix things up and potentially take down the video. But instead he lashes out on his discord server and says things that would make his reputation worse. Tell me **Younes** fans, is this okay? Even if he is African, that's still disrespectful and bad manners to everyone. He is an influencer, influencing everyone and should be doing things that matters to everyone. Not this going rogue and acting impulsively.

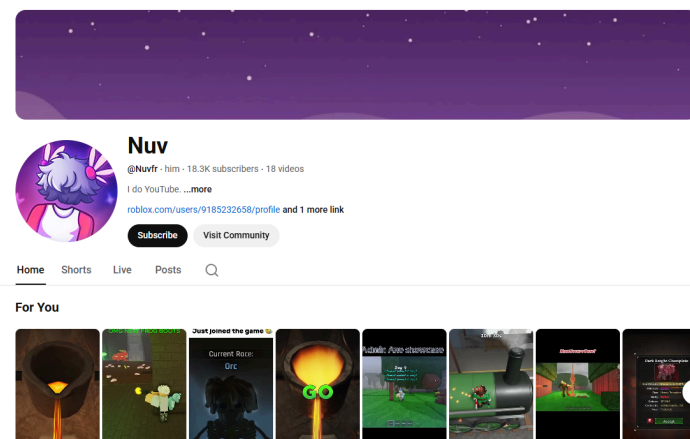

Source: <https://discord.gg/EwJcDJqy> - Younes Discord server

Date: **December 20 2025**

As for **Pluto**, also known as **Nuv** (**Nuvfr**) now, on his channel he deleted the 2 videos which were the voice chat video and e-couple trolling in voice chat video. You ask why he deleted it? Simple really, even he knows how disgusting those videos are and apparently his staff team are doing damage control.

IN CONCLUSION

YounesPlayzz and Feared Pluto have the same interest, ruining bumbleb for selfish reasons, Both are racist and have no morals. Attention seekers just to get people's attention. They have done much worse but it's all gonna be on the google drive link that were all screenshots and recordings. Where all they have been doing behind bumbleb's back and just how evil they really are. This **Document** serves the purpose of Where all they have been doing behind bumbleb's back and just how evil they really are. This Document is for defending/correcting the false allegations towards Younes and Lumino.
